PRINCE EDWARD COUNTY ♦ ONTARIO

Kenn M. Feigelman
Deep/Quest 2 Expeditions

June 9th 2022

The County Museums see tremendous benefit in the work Kenn Feigelman at Deep/Quest 2 Expeditions is taking on with the Operation Vortex 2022: *In Search of Sunken History* project; not only for our local community, but also for the many Canadians who wish to dive deeper into the stories of Lake Ontario!

Our Mariner's Park Museum is ideally situated and curated to tie in well with the facts and fictions that will no doubt develop around this worthy project on the shores of Prince Edward County and we are thrilled to be a supporting partner!

Thank you for the work you are proposing to do and please accept this as a letter in strong support of the Operation Vortex 2022 project for the purposes of sponsorship and grant procurement.

Sincerely,

Chris Palmer
